

September 28, 2018

I am excited to send out this year's Mini Grant Applications. As in the past years, we will be awarding two teachers in the Waterford, Lake Orion, Utica and Oxford school districts with a Mini Grant in the amount of \$500. These grants were created to assist teachers in providing new and creative classroom tools, lessons or class projects that would not be funded by their regular classroom budgets.

Lakes Community Credit Union is a nonprofit, full service financial institution that is proud to take an active role in our outstanding communities. Education is paramount at Lakes and this is why we created a Mini Grant Program as well as student scholarship opportunities for the students in our communities.

Please share the Mini Grant applications with your staff. The application process was designed to be quick and easy and our goal is to reward their efforts, not cause them unnecessary work.

If you would like the application emailed to you or your secretarial staff, please contact me at 248.814.4000 ext. 4060 or email a request to jeb@lakescommunitycu.org. I would be glad to send it right over!

Sincerely,
